

SAINIK SCHOOL GOPALGANJ

CLASS –VII

SUB: MATHEMATICS

1. With the help of a measurement tap measure the perimeter of the courtyard of your house. Also calculate the area of your house / apartment complex or some nearby buildings. Have them draw a scale model of the building with the perimeter marked and their calculations of the area.
2. Find and mark edge and vertices of solid shapes
3. Calculate the perimeter and area of the different rooms of your house
